

Hybrid Fitness System – 2026 (All-in-One Plan)

Objective: Build a hybrid athlete physique — muscular, lean, conditioned, athletic — with visible abs, strong lifts, 5 km running capacity, and 6-round boxing endurance, while preserving recovery year-round.

Athlete Profile

- 1 Height: 174 cm | Weight: 73 kg | BMI: 24.1
- 2 Training Level: Intermediate
- 3 Lifestyle: Software Developer (automation-focused training system)
- 4 Primary Goals: Muscle gain, endurance, athletic movement, visible abs

Weekly Training Split

- 1 Monday – Push (Strength)
- 2 Tuesday – Cardio Day 1 (Zone 2 Aerobic Run)
- 3 Wednesday – Pull (Strength)
- 4 Thursday – Cardio Day 2 (Boxing / Fight Conditioning)
- 5 Friday – Legs (Strength)
- 6 Saturday – Football (High-Intensity Conditioning)
- 7 Sunday – Rest / Active Recovery

MONDAY – PUSH DAY (Strength)

- 1 Barbell Bench Press or Incline Bench – 4 × 5–8
- 2 Overhead Barbell or Dumbbell Press – 3 × 5–8
- 3 Weighted Dips – 3 × 6–10
- 4 Dumbbell Lateral Raises – 3 × 12–15
- 5 Cable Triceps Pushdown or Skull Crushers – 2 × 10–12

Focus: Compound pushing strength, shoulder stability, minimal junk volume. Session cap: 60 minutes.

WEDNESDAY – PULL DAY (Strength)

- 1 Pull-Ups or Lat Pulldown – 4 × 6–10
- 2 Barbell Row or Chest-Supported Row – 3 × 6–10
- 3 Face Pulls or Rear Delt Fly – 3 × 12–15
- 4 Barbell or Dumbbell Bicep Curls – 3 × 8–12
- 5 Optional: Farmer Carries – 2 rounds × 30–40 sec

Focus: Back thickness, posture, grip strength, arm development.

FRIDAY – LEGS DAY (Strength)

- 1 Back Squat or Front Squat – 4 × 4–6
- 2 Romanian Deadlift – 3 × 6–8
- 3 Walking Lunges or Bulgarian Split Squats – 3 × 8–12
- 4 Standing or Seated Calf Raises – 3 × 12–15
- 5 Core: Hanging Leg Raises or Ab Wheel – 3 sets

Focus: Athletic leg strength without excessive fatigue. No cardio before this session.

TUESDAY – CARDIO DAY 1 (Zone 2 Aerobic)

- 1 Easy Run: 3–5 km at conversational pace
- 2 Alternative: Run–walk intervals (5 min run / 2 min walk × 4–5 rounds)
- 3 Incline Treadmill Walk: 20–30 min at 8–12% incline

Intensity: Zone 2 (nose breathing possible). Purpose: Build endurance and recovery capacity.

THURSDAY – CARDIO DAY 2 (Boxing / Fight Conditioning)

- 1 Warm-up: Skipping + mobility – 5–7 min
- 2 Shadowboxing or Heavy Bag: 4–6 rounds × 2–3 min
- 3 Rest: 1 min between rounds
- 4 Intensity: 70–80% (technique-focused)
- 5 Optional Finisher: Skipping or light core work (5 min)
- 6 Cooldown: Walking + deep breathing

Goal: Progress to 6 × 3 min rounds with controlled breathing and movement.

SATURDAY – FOOTBALL (HIIT / Athletic Conditioning)

- 1 Acts as sprint & agility conditioning
- 2 No lifting or additional cardio
- 3 Increase carbohydrate intake
- 4 Hydrate aggressively and prioritize sleep

SUNDAY – REST / ACTIVE RECOVERY

- 1 Light walking or mobility
- 2 Stretch hips, calves, shoulders
- 3 Breathing drills
- 4 Complete rest if fatigued

System Rule: If recovery is compromised, reduce cardio volume first — never lifting quality.
